

REMARKS

This is a third amendment in response to the Final rejection dated June 6, 2008. The previous first and second Amendments After Final were not entered.

This amendment cancels independent claims 1 and 4 and amends claims 3, and 5-8 to depend from allowed claim 29.

Reconsideration of the final rejection in view of the cancellation of the rejected claims 1 and 4 and the making of claims 3, and 5-8 depend from an allowed claim is respectfully requested.

The present amendment has also corrected claim 24, and claim 3 as amended has been made definite. Thus the objection to claim 24 and the indefinite holding relative to claim 3 have been overcome.

Since claims 9-20, 22, 23 and 25-29 were allowed, claim 24 is corrected and claims 3 and 5-8 now depend from allowed claim 29, it is believed that all of the claims are allowable.

Favorable action is therefore respectfully requested.

A petition for a 2 month extension of time and the required fee accompanies this amendment. If the petition is missing or a further extension is required, consider this a petition for such extension.
